Mentoring For Leadership

*Ensure a Positive Member Experience. Engage in Learning and Training Opportunities  
Develop and Empower Members for Leadership Roles  
August 2022*

**Team building** is important! If we are working together to make the next term of office and terms for many years to come, a little bit better than the last one, then we have done our job.

We have many resources available on the VFW Auxiliary National website's Program & Publicity Resources page at [vfwauxiliary.org/resources](http://vfwauxiliary.org/resources)

**Using the TEAM approach for Mentoring for Leadership will lead to success.**

- T** – Teach someone what you know and are passionate about.
- E** – Everyone deserves to find their joy in our organization.
- A** – Always be on the lookout for the next leader.
- M** – Mentor all the time since success is best when it is shared.

Remember that a TEAM is a group of people who trust each other.

Create your team!

Stay well and God Bless,
