Some important things to be aware of:

- ❖ *You will see the option to make gift donations to auxiliary programs. Please **DO NOT** make your donations to Auxiliary programs using MALTA. If you do so, your auxiliary will not receive credit for being reported in these donations.*
- ❖ *Donations to auxiliary programs should be sent to the Department Treasurer with the program name in the memo section of your check.*
- ❖ *You will also see the option to change your magazine subscription choosing paper or electronic. This option will soon be discontinued as the paper magazine will no longer be an option.*

The MALTA site is very easy to navigate, simply click on any subject in the toolbar and you are ready to explore all your options on the MALTA website.
