April 2023

Hello Spring!

Happy Spring!

We are nearing the end of our year and right about now you are probably hearing a lot about year end reports and you may be wondering why do we need to do all these year end reports?

The year end reports provide valuable information about what we have accomplished , what we have done to assist our veterans and their families. All these reports when they are all compiled tell a story of how our state worked together to provide support to our veterans and their families.

This information is then reported to our national organization (in a year end report our Dept. President has to submit) . Our National organization then compiles all the reports from all the states and there is an even bigger story of a national organization working to assist our veterans and their families. This is how we keep our nonparofit status and are able to continue the good works that we do. Your year end report is very important.

Auxiliary Presidents, please fill out and send back to me the attached year end report for the Mentoring for Leadership program for your auxiliary. If you have any questions please let me know.

Stay well and God Bless!
