

YOUTH ACTIVITIES

Halloween is celebrated on the end of this month, so that means as of October 31st you have only 5 months remaining until all your entries for “Illustrating America” and “Get Excited for the Red, White and Blue!” have to be received at your auxiliary for judging.

Illustrating America

This contest is a great way to introduce our children to patriotism through art. This is a way for our Auxiliaries to teach the youth skills to become responsible adults through serving and learning about America in a way that is interesting and fun for our youth of today! Please consult MALTA Member Resources, Youth Activities for contest rules, student brochures, and entry forms.

Get Excited for the Red, White and Blue!

Whitney Houston

Cher

Ray Price

We've had a lot of famous people who have sung the Star-Spangled Banner with great passion and love. Remember, you don't have to be famous to sing the National Anthem, you just put your heart into it and people will listen and respect what you are singing to them!

Entries will be judged on vocal ability, mastery of lyrics, originality or interpretation and entertainment value. Entry forms are located in MALTA Member Resources, Youth Activities and contains eligibility requirements, contest rules and deadlines.

So go "scare up" some kids and get them involved in our program today!
