

Auxiliary members as we all see and experience, the days are flying by and before we know it, we will be ending our reporting year for 2023-2024. Again, as we know each Program Chairman is called upon to answer certain questions surrounding the goals of their individual programs. As your Hospital Chairman I will need this valuable information from you regarding the activities you have embraced during the year to fill out this information

for the Department, who must then share with our National Organization.

I need your **help**....I need your **support**.....I need **your answers** to complete this task. As you enter your reporting into our online program, I ask that you reflect on what you have done under the Hospital Program during the year as outlined below.....(**whether at VAMC, WRJ, NHVH or your community facilities**)

1. Number of Auxiliary members that volunteered at any VA and/or non-VA medical facility. (Auxiliary member to be counted one time only per year.)

2. Total number of hours that Auxiliary members volunteered at any VA and/or non-VA medical facility.

3. Total number of hours that Sponsored Volunteers and/or students volunteered under the VFW Auxiliary sponsorship and supervision at any VA and/or non-VA medical facility.

6. Total dollar amount spent on all Hospital Program related items and/or projects (which also include any that I have promoted as Hospital Chairman i.e. school bags, Christmas wishes, baby shower, Thanksgiving Baskets.....

As we all realize the Hospital Program has endured many hurdles thru the past few years, but we continually come together, use outside the box thinking, unique and original ideas to embrace the goals of this program which only requires your time, your heart and your commitment to embrace our Veterans by ***“Challenging the Needs of Our Veterans” simply by “Banding Together for Our Veterans”.***

The time has now come to reflect all that you have done for 2023-2024 and share it by stepping up and reporting it under the Hospital Program and stand proud for all that you have done, I know I sure am and

Thank You for all You Do!
Madeline Dreusicke, Hospital Chairman
